

## Scottish Federation of Model Boat Clubs

### CONSTITUTION

- 1 The primary aim of the Federation is to support and further all aspects of model boating in Scotland. The Federation will provide support to any member club.
- 2 All disciplines will have equal status within the Federation. No inter-disciplinary arguments will be tolerated; i.e. all aspects of model boating will be given full support of the Federation.
- 3 The Federation's constitution shall not in any way take precedence over any member clubs' constitution.
- 4 In the event of a conflict between the aims or rules of the Federation and any other official body that a member club is affiliated to, the club shall have final say.
- 5 Membership of the Federation will not restrict a clubs membership of any other body.
- 6 The host club's rules will apply to all events and meetings.
  - [a] All Federation members may participate if they so wish subject to local restrictions.
  - [b] All Federation organised events are open to all-comers.
- 7 No steam driven plant will be allowed under Federation Insurance unless a valid boiler certificate is available conforming to the Boiler Testing Rules.
- 8 Fees : The fees shall be fixed at the A.G.M. In February and paid by member clubs by 30th June each year. Fees for new members joining after the 30th June will be payable in the following year. Model clubs that have a boat building section shall pay a fee for each boat modelling member.
